

Player Report on P. Cancar

Season 2025/2026 Club Western Sydney Wanderers

Date of Report 20-07-2026 Position RB / RCB Age 24 Foot Right Height 1.86m

Physique

A good, physically competitive frame. Wins more than his share in the air for a full back.

Pace

A willing carrier from deep positions, without being an especially explosive runner.

Work-Rate

A functional defensive shift, consistently involved without being a standout destroyer.

Attitude

Competes fairly evenly across his duels without dominating any one phase.

Technical

A reliable, accurate passer with genuine range for a full back.

Intelligence

Reads danger early and gets across to intercept at a healthy rate for the position.

Comments

A versatile, dual nationality full back or wide centre back on a small number of matches watched so far. Solid across the board without one standout trait yet, worth monitoring as more games are seen.

Strengths

- Competitive in the air for his position
- Reliable passer with genuine range
- Positional versatility
- Reads danger well

Weaknesses

- Small number of matches watched so far, treat as an early picture
- No standout attacking or defensive trait yet
- Ball carrying is limited

Overall rating: 5.5 / 10

Fit pro HK: 5 / 10
