

Player Report on P. Cancar

Season 2025/2026 Club Western Sydney Wanderers

Date of Report 20-07-2026 Position RB / RCB Age 24 Foot Right Height 1.86m

Physique

A good, physically competitive frame — wins more than his share in the air for a full-back.

Pace

A willing progressor from deep positions, without being an especially explosive carrier.

Work-Rate

A functional defensive workload, consistently involved without being a standout destroyer.

Attitude

Competes fairly evenly across his duels without dominating any one phase.

Technical

A reliable, accurate passer with genuine range for a full-back.

Intelligence

Reads danger early and gets across to intercept at a healthy rate for the position.

Comments

A versatile, dual-nationality full-back / wide centre-back on a small sample — solid across the board without one standout trait yet, worth monitoring as the sample grows.

Strengths

- Aerially competitive for his position
- Reliable passer with genuine range
- Positional versatility
- Reads danger well

Weaknesses

- Small sample size — treat as provisional
- No standout attacking or defensive trait yet
- Ball-carrying is limited

Overall rating: 5.5 / 10

Fit pro HK: 5 / 10
